

Goldfields Track Q&As

V.14 Jan 2018

Track Diversions & Closures? Jan 2018

WALLABY TRACK: Walk route closed east of St Georges Lake. See Track Updates on www.gdt.org.au for details.

LERDERBERG TRACK: Take care between Bacchus Marsh and Daylesford - signage issues/ track disrepair. Only experienced walkers with GPS and superior navigation skills should use track.

The **Great Dividing Trail (GDT)** network comprises:

- **Goldfields Track** (comprising the Eureka, Wallaby, Dry Diggings and Leanganook Tracks; and the Federation University Circuit Track at Mt Helen Campus)

Lerderberg Track
Ararat Circuit Track.

Maps?

Buy maps for three of the tracks of the Goldfields Track from <http://www.gdt.org.au>, some visitor information centres (see below) or selected sales agents (see website). Download Ararat Circuit Track map and Federation University (Ballarat) circuit map @ <http://www.gdt.org.au>. The Wallaby Track map has been withdrawn from sale.

Goldfields Track Walk or Ride Guide?

Available <http://www.gdt.org.au> some visitor information centres (see below) or sales outlets (see website).

Goldfields Track (GT) ?

The **Goldfields Track** is the longest shared-use track in Victoria and is a key feature of the GDT network (See also: <http://www.goldfieldstrack.com.au>). The track is shared-use for walkers and mountain bikers. Observe signs for sections that are Walkers Only or Bikes Only.

Transport?

<http://www.vline.com.au>; <http://www.travelvictoria.com.au>

Accommodation?

Various types of accommodation (motels, hotels, B&Bs, caravan/campsites) in most townships and near the Track.

Bush Camping?

- DO NOT camp close to waterways or in dry creek beds.
- Camping is allowed only in designated areas in National, State and Regional Parks, in state forests and at designated campsites.
- No camping on land managed by Central Highlands Water or Coliban Water.
- No camping on private property without prior permission.

Posts and signage?

On the Track: **Gold**-topped posts (blue overhead metal signs in many urban areas). Also, **Blue** signs are sometimes used to point to the nearby Goldfields Track.

GPS Track Files?

For all sections of the Goldfields Track, electronic files in GPX format are available for loading into your GPS. They can be downloaded from www.gdt.org.au free of charge. Consult your GPS manual for instructions.

Access?

Several locations provide V-Line (train) or car access; some (but not all) have GDT or Goldfields Track entry signage. Here are a few:

Location	Access point
Mt Buninyong summit	Car park
Buninyong	Warrenheip St
Ballarat	Peel St North VLine station
Creswick	Slaty Creek campsite VLine station Visitor info centre St Georges Lake
Daylesford	Lake Daylesford Visitor info centre Hepburn Springs carpark
Fryerstown	Old school car park:see Campsites
Castlemaine	Visitor info centre VLine station
Harcourt	Town centre (diversion for mtb cyclists)
Mt Alexander	Leanganook picnic ground
Bendigo	VLine station

Parks and Forests?

Parts of the Goldfields Track are in national or regional parks and state forests. From south to north, these are:

- Glen Park State Forest
- Creswick State Forest
- Creswick Regional Park
- Hepburn Regional Park
- Castlemaine Diggings National Heritage Park
- Mount Alexander Regional Park
- Greater Bendigo National Park & Bendigo Regional Park

The Goldfields Track also passes through the Creswick and Castlemaine plantations managed by Hancock Victorian Plantations.

For all information, including Camping, Bushfire Safety, Park and Forest Closures, Road Closures

In national, state and regional parks: phone 13 1963 or check <http://www.parks.vic.gov.au>
In state forests, phone 13 6186 or check <http://www.delwp.vic.gov.au>

Motor Bikes & Trail Bikes in Parks and Forests?

Bikes are allowed only on open roads and vehicle tracks that are open for public use.

Trail bikes must be registered and roadworthy.

All bike riders must be licensed.

Bureau of Meteorology <http://www.bom.vic.gov.au>

Bushfire Information Line = 1800 240 667

Bushfire Information TTY = 1800 122 969

ABC warnings in emergencies and extreme weather?

Ballarat 107.9 FM; Bendigo 91.1FM; Melb 774AM.

WALKING SAFELY?

Don't walk on Total Fire Ban days or in extreme weather.
Don't walk in low visibility conditions, eg smoke, fog, cloud
NOTE: Visibility can change quickly on Mt Alexander and Mt Buninyong, where it can become difficult to see posts.
ALWAYS let a responsible adult know of your planned route and your expected time of return.
Plan your walk to return well before dark.
Carry a GDT map or other detailed map WITH the GT Walk or Ride Guide, GPS or compass and look for the posts.

Load into your GPS the electronic file for the track you are walking – available free of charge from

www.gdt.org.au.

You are walking in goldfields country. Keep to the track to avoid hidden mine shafts.

If you think you've missed a post, retrace your steps to the last post that you found and check the map.

Carry a fully-charged mobile phone. **NOTE:** Coverage is not available on all of track (see Mobile phones below).

Do not enter private property without permission.

Know your limitations: Be aware that these are likely to diminish in extreme temperatures and weather.

Drink plenty of water. See Water above..

Carry sufficient food and energy snacks to sustain you.

Wear appropriate clothing but always be prepared for changes in the weather conditions:

- Always carry a waterproof coat and hat.

- Wear gloves in cold weather.

Take sunscreen and insect repellent.

Wear a whistle on a cord around your neck in case of emergency.

Carry a First Aid kit and know how to use it.

Read **Walksafe** on Bushwalking Victoria (BWW) website

<http://www.bushwalkingvictoria.org.au>

Respect the environment. Prevent damage to plants and cultural relics.

Take out all of your rubbish.

Mobile phones?

Mobile phone coverage isn't always available.

In an emergency, dial **000**.

If you don't have reception, dial **112** and your call will be carried by a GSM network if one is available.

Contact may be possible even if your mobile has been blocked or your security settings have been activated.

See: <http://www.telstra.com.au>

There is NO SMS text message emergency service.

Sometimes SMS text may get through when voice doesn't but there's no guarantee of delivery.

See Bushwalking Victoria tips p10, July 2011 newsletter

<http://www.bushwalkingvictoria.org.au>
